Dear Readers Choice Winner:

Congratulations! GateHouse Media New England (GHMNE) readers have spoken, and you have been selected as a **#1 Choice or Honorable Mention** in GHMNE's Readers Choice 2010 sales and marketing program.

Readers Choice results are not yet public, but will be published in a special section during the week of June 20th. All votes were cast this year during January and February, and tabulated by an independent data-processing firm.

We encourage you to thank our readers and to celebrate your accomplishments in this special section; information on this opportunity is enclosed. As a winner, you may incorporate the Readers Choice logo in your "Thank You" advertisements and any other advertising you do for your business, once the section has been published. You may also arrange to receive an award certificate to hang in your place of business. Certificates will be available after the section is published.

Once again, congratulations! Please contact me and I will be happy to work with you to meet your specific needs.
